## 5 STEPS FOR A VOLUME ON TOP PONYTAIL

### STEP 1

Wash and condition hair with TRESemmé®  
Moisture Rich Shampoo and Conditioner.

### STEP 2

Spritz TRESemmé® Thermal Creations®  
Heat Tamer® Spray liberally on hair to protect  
from heat and seal in shine.

### STEP 3

Using a straightener, straighten hair  
in 1" sections for a sleek and smooth base.

### STEP 4

Separate a section of hair at your crown and tease for volume.  
Spray with TRES TWO® Extra Hold Hair Spray as you go.  
Once you have desired volume, gather all hair into a loose ponytail  
at the nape of your neck and secure with a clear elastic.

### STEP 5

With a piece of hair from the ponytail, wrap around the elastic  
and pin in place. Finish with a spritz of TRES TWO® Ultra Fine  
Mist Hair Spray for soft, touchable hold all day long.
